

Yahusha and creation

In the Old Testament we are told that **YHWH by Himself created all things**. It does not mention anyone or anything else doing the work with Him. In Revelation we find that it is the one sitting on the throne that lives forever and ever (YHWH) is the one that created heaven and earth and all that is in them and in Romans we are told YHWH is known from the creation, His eternal power and divinity are shown.

In both the OT and NT the witness is that YHWH did the creating. There is NO mention of Yahusha joining in on that work. But yet in Hebrews, Colossians and 1 Corinthians we are lead to believe YHWH did all this work through/by Yahusha and that Yahusha actually did the works which is contrary to ALL other scripture.

How do we rectify this? How do we come to an understanding that cannot be refuted?

When one is truthful to one's own self and will admit that the English translations we have today were translated by Trinitarians and that they doctored the translation in every way they could in order to show and prove the divinity of the Messiah. They twisted much to prove that the Messiah of the Elohim was in fact actually Elohim himself.

Now with that truth, we can figure this out and it makes the WORD of YHWH perfect.

There are two specific Greek words that are translated as '**world**', **G2889** κόσμος **kosmos** (koz'-mos) which actually means 'world' or the physical elements and the other is **G165** αἰών **aion** (ai-ōn') which means '**ages/age**' or '**times**'. Then there is one Greek word **G1223** διά **dia** (diy-a') which is translated as '**by**', while in our English language this word can mean '**through**', '**throughout**' the most important meaning should really strike us, '**on account of**'. When we have this basic understanding of these Greek words we get a completely DIFFERENT picture of what the WORD is ACTUALLY saying without the trinity twist and now the WORD makes perfect sense.

As you read the scriptures below with the correct words you can get a good understanding. *I crossed out the word '~~things~~' only to show this word is not in the text. It can be kept there but really is not needed for wisdom and understanding.*

What you will find is that YHWH did the works **on account of** NOT 'by or through' Yahusha.

Conclusion:

1 Corinthians 8:6 But to us **there is but one Elohyim, YHWH, the Father, of whom are all things**, and we in him; and one Master Yahusha the Messiah, **on account of** whom are all things, and we **on account of** him.

1 Corinthians 8:7 **Howbeit there is not in every man that knowledge:**

What knowledge is being spoken of here?

It is the knowledge that YHWH created everything **for his own pleasure they are and were created** and YHWH set them in order **on account of** His son Yahusha. If not for Yahusha this world and us humans would have been burned up long ago thus the ages of redemption were set in order **on account of** the works of Yahusha.

Howbeit there is not in every man that knowledge.
