

Huge Problem with the Trinity Doctrine

The Trinity definition is flawed

All Trinitarians believe: That GOD is ONE BEING, 3 persons

Problem #1:

BEING and PERSON are the same thing.

Problem #2:

Trinitarians are denying that GOD is ONE Being and ONE Person.

Problem #3:

The Father (alone) is not a being.

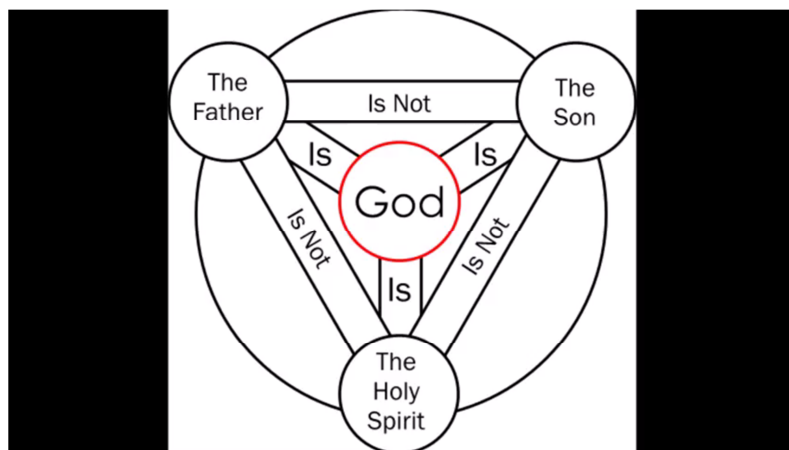

The Son (alone) is not a being.

The Spirit (alone) is not a being.

Trinitarians teach:

The Father is GOD The Son is GOD The Spirit is GOD

Yet the Father is not the Son, the Son is not the Spirit, and the Spirit is not the Father

Problem #4:

If all three persons are GOD, then by their own definition, they are ALL beings

Because GOD is one BEING

Problem #5:

To say the Persons are each GOD, but not Beings cannot possibly be true.

There are BIG problems with the Trinity definition that defy all logic and common reasoning.
