

Seven-year covenant

The "church" for the most part has believed and preached that Daniel 9:27 was speaking of a *Peace Treaty* being signed with Israel for seven years, but this can not be found in the scripture, it is a fable. The scripture in Dan 9 does not even say it is a *signed* agreement nor does it say it is a *Peace Treaty* and nothing mentions Israel.

It does say the *people* of the prince to come will destroy the city (Jerusalem), the Romans destroyed the city in 70 AD and the Pope is the prince of Rome today. The Pope is the prince referred to herein Dan 9:26 and is the one in Dan 9:27, that is the strength of the covenant that is made with *many* for one week (seven-years). The *many* H7227 can actually means *authority*, as those in power, it does not necessarily mean a lot of people.

Dan 9:26 And after threescore and two weeks shall anointed be cut off, but not for himself: **and the people of the prince that shall come shall destroy the city** and the sanctuary; and the end thereof [*shall be*] with a flood, and unto the end of the war desolations are determined.

Dan 9:27 **And he shall confirm (make strong) H1396 the covenant with many (rulers) H7227 for one week:** and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make [*it*] desolate, even until the consummation, and that determined shall be poured upon the desolate.

H1396 גָּבַר **gabar** (gaw-bar') *v.*

1. to be strong.
2. (by implication) to prevail, act insolently.

[a primitive root]

KJV: exceed, confirm, be great, be mighty, prevail, put to more (strength), strengthen, be stronger, be valiant.

H7227 רַב **rab** (rab) *adj.*

abundant (in quantity, size, age, number, rank, quality).

KJV: (in) abound(-undance, -ant, -antly), captain, elder, enough, exceedingly, full, great(-ly, man, one), increase, long (enough, (time)), (do, have) many(-ifold, things, a time), (ship-)master, mighty, more, (too, very) much, multiply(-tude), officer, often(-times), plenteous, populous, prince, process (of time), suffice(-lent).

Root(s): [H7231](#)

Strong's #7227: [AHLB#1439-A](#) (N)

1439) ראש (RB) ac: Rule co: Master ab: Increase: The pictograph ראש is a picture of a head, the רא is a picture of the tent representing the family. Combined these mean "head of the family". Each family has a master that rules all cases, trials, conflicts and contests. This person was the representative for the whole tribe, one abundant in authority and wisdom. (see Exodus 18:25).

A) ראש (RB) ac: ? co: Master ab: ?: An abundance of number, strength or authority.

N^m) ראש (RB) — I. Master: One who is abundant in authority. **II. Abundant:** An abundance of numbers (many) or strength (great). From the idea of greatness in authority. [Hebrew and Aramaic] **III. Archer:** [Unknown connection to root;] [freq. 475] [kjv: many, great, much, captain, more, long, enough, multitude, mighty, greater, greatly, archer] [H7227*](#), [H7228*](#), [H7229*](#)

What we have been looking for is a seven-year agreement with the rulers and what we have here in this declaration is exactly that, a humanist secular agreement/commitment/covenant with the rulers, to go around the whole world to get us back to *nature* and the *Human Fraternity* and away from God.

NEVER in the history of Biblical eschatology have we ever had a 7-year agreement such as this.

At the time the Pope started this in 2019, he got the Jews and Muslims to sign a contract with him to form a united religion, however there was no 7-year clause in the document. He also called ALL leaders, entertainers, teachers, athletes to join with him in this ecological humanist initiative (covenant), still no 7-year clause or plan.

You can search this out on the internet.

What is really interesting is that on May 23 at the Pentecost ritual in the Vatican, you can see the demon enter into the Pope. You can see this in this video starting at 1:01:10. The demon manifests itself as a snake just as it enters him.

Nov 2, 2021

This is from Prince Charles' speech at the COP26 conference in Nov 2021. This statement starts at about 5:15 into the speech. It is a short speech so it is not hard to listen to the whole thing. The key take away from this is WHO is he referring to when he said '**HIS**'. What is this '**HIS**' wanting to achieve? A fundamental economic transition! Control buying and selling. Rev 13. **We know this will take trillions not billions of dollars. We also know that countries many of whom are burdened by growing levels of debt simply cannot afford to go green here. We need a vast military style campaign to marshal the strength of the global private sector with trillions at his disposal far beyond global GDP and with the greatest respect beyond even the governments of the world's leaders. It offers the only real prospect of achieving fundamental economic transition.**

Exposed: Klaus Schwab's School For Covid Dictators, Plan for 'Great Reset'

How is it that more than 190 governments from all over the world ended up dealing with the COVID-19 pandemic in almost exactly the same manner, with lockdowns, mask mandates, and vaccination cards now being commonplace everywhere? The answer may lie in the Young Global Leaders school, which was established and managed by Klaus Schwab of the World Economic Forum, and that many of today’s prominent political and business leaders passed through on their way to the top.

Pope Francis: ‘Embrace human fraternity to stop endless destruction’

The International Day of Human Fraternity was set up by the UN General Assembly to commemorate the signing of the Document on Human Fraternity for World Peace and Living Together by Pope Francis and the Grand Imam of Al-Azhar, Ahmed Al-Tayyeb, in Abu Dhabi on 4 February 2019.

‘Anchor of salvation for humanity’

Pope Francis again greeted his “dear brother”, the Grand Imam, and acknowledged that the path of fraternity is “long and challenging” yet it is “the anchor of salvation for humanity.”

Grand Imam pledges support for Human Fraternity efforts

One of the most respected and influential authorities in Islam has expressed hope that the world’s races, religions and leaders will unite in solidarity and fraternity to help create a better world, overcoming the crises created by the ongoing pandemic and by human selfishness.

Quest for a better world

Describing the international day as “a commemoration of the humaneness of divine religion”, the Grand Imam says, it calls for acquaintance, understanding and reverence ‘among the followers of various religions and beliefs.

Mutual understanding among religions

He points out that the Document on Human Fraternity was drafted by Al-Azhar Ash-Sharif and the Vatican out of their **common belief in mutual understanding among the followers of religions, including non-believers, in order to get rid of misjudgments** and conflicts that often lead to bloodshed and warfare **among people, notably among followers of the same religion and believers in a single faith.**

This time frame is right at the 3 1/2 year mark in the 7 year Laudato Si'. They will use the Framework Convention on Tobacco Control to control the people, take notice how the world for the most part has full control of no smoking laws.

World Health Assembly agrees to launch process to develop historic global accord on pandemic prevention, preparedness and response

In a consensus decision aimed at protecting the world from future infectious diseases crises, the World Health Assembly today agreed to kickstart a global process to draft and negotiate a convention, agreement or other international instrument under the Constitution of the World Health Organization to strengthen pandemic prevention, preparedness and response.

The sole instrument established under Article 19 to date is the WHO Framework Convention on Tobacco Control, which has made a significant and rapid contribution to protecting people from tobacco since its entry into force in 2005.

Under the decision adopted today, the INB will hold its first meeting by 1 March 2022 (to agree on ways of working and timelines) and its second by 1 August 2022 (to discuss progress on a working draft). It will also hold public hearings to inform its deliberations; deliver a progress report to the 76th World Health Assembly in 2023; and submit its outcome for consideration by the 77th World Health Assembly in 2024.

The WHO Framework Convention on Tobacco Control

The WHO Framework Convention on Tobacco Control (WHO FCTC) is the first international treaty negotiated under the auspices of WHO. It was adopted by the World Health Assembly on 21 May 2003 and entered into force on 27 February 2005. It has since become one of the most rapidly and widely embraced treaties in United Nations history.
