

Grace false doctrine

A dear brother from Kenya sent me this in an email. So, I thought it would be prudent to make a short blog on the **false doctrine of grace**.

*But brother, there was a pastor I came across during the week who argued that, anything or preaching that grace is dependent upon the human ability to respond is not the Biblical truth about salvation. **He called lairs those who teach that grace can be purchased if a person is able to confess and repent of his sins.** Have you ever come across them there?*

The interesting thing about this comment is that the man used the word **purchased** in place of **works**. In this whole concept of receiving grace without repentance, without works, without doing something is a very un-biblical doctrine.

Let's take a look at this from a different angle or a different view. Grace has been here from the foundation of the world. There are couple different aspects grace or unmerited favor of YHWH to look at. The first unmerited favor of YHWH is the fact that He allowed Adam to stay alive and still have life and breath even in his sinful and fallen nature. The second unmerited favor of YHWH, was that he was going to raise up Yahusha as a redemptive redeeming sacrifice that man could be forgiven of their sins and transgressions and have right to eat of the tree of life.

The false doctrine that the grace afforded to us in the redemptive sacrifice of Yahusha is poured out upon us and given to us without any interaction or any work or deed on our part other than to believe that it is there and to believe that he died for us and just accept, **that is a false doctrine** a false teaching and a very deceptive one. There is no salvation with this doctrine of teaching.

We can liken the grace of YHWH in Yahusha for redemption and eternal life as to a

water well pump. The water well pump will give you water to sustain your life. The grace of YHWH in Yahusha will give life. Now if the water well pump is given to you freely, you don't have to pay for it, you don't have to do anything, it is yours, you can get as much water as you want to live completely free just the same as the grace of YHWH it is completely free.

Now as the water well pump and grace are compared, a man can come to the pump and believe and have complete faith that this is a water well pump, I can get water here that will sustain my life, the same, they come to the grace of YHWH and believe and have complete faith that this is my redemption, I can come here and I get life. Now even if you believe and have complete faith these things are real and true, if that belief and complete faith is not put into action or accompanied with works that well water pump will never issue that water to sustain your life. It is just the same with the grace of YHWH it cannot redeem you unless you put that belief, complete faith into action or works.

Jas 2:20 But will you know, O vain man, that faith without works is dead?

Jas 2:26 For as the body without the spirit is dead, so faith without works is dead also.

The false doctrine, that a man can sit and look at grace and have just faith alone, just believe it's free and take no action or have some works is false, just like the water well pump the water will not come out and go into your mouth down you into your belly to give you life, that grace cannot come into your heart, cannot cover you and give you life **without action or works on a man's part**. The water well pump has a very specific work or function that is required for a man to receive the life-giving water from the pump and that action cannot be altered. There is only one action that can take place for water to come out of that well to receive it for drink and that is to move the lever up and down, you can't move it sideways, you can't spin it around and around, it can only go up and down the instructions are very specific. Now this is likened unto grace, unto the unmerited favor, to the redemption that is offered in Yahusha, the Bible gives us a very detailed instruction as how to receive this unmerited favor this grace. What the Bible says is, that if we will repent and be baptized for the remission of sins in Yahusha that we will receive the Holy Spirit and have access to eternal life, if we stay true and faithful to the end. Just like the water pump there is no other way to receive this grace than by these works. The false doctrine of the sinners prayer, or asking Jesus into your heart, or giving your life to Christ is the same concept of going up to the water well pump and trying to take the lever and move side to side to get water or trying to spin it around and not pumping it up and down it is the same kind of false action that will not get results.

So just as the water well pump will give you life sustaining water if you will walk up to the pump and work the handle up and down in the proper direction and reach down

and catch the water and drink it if you will do that work, that pump which is completely free to you, doesn't cost you anything, but you have to do something it requires an effort on your part, that is the same with grace of YHWH, it is completely free you don't have to pay a cent for it, you can't pay it, the only way you can obtain it is to do the proper work and that proper work is to repent of your transgression of the law, for sin is the transgression of the law, and be baptized in water, submersed in water, for the remission of your sins, that's how you're getting rid of your sins you're buried into the death and resurrection of Yahusha and then you will receive the gift of the Holy Spirit and only then and if you stay faithful after that and go and sin no more then you will be given the right to the tree of life and you can eat of the tree of life and have eternal life.

The works required for the redemptive grace to be received:

1John 3:4 Whosoever commits sin transgresses also the law: for sin is the transgression of the law.

Acts 2:38 Then Peter said unto them, Repent, and be baptized (immersed) every one of you in the name of Yahusha the anointed for the remission of sins, and you shall receive the gift of the Holy Spirit.

Rev 2:7 He that has an ear, let him hear what the Spirit says unto the assemblies; To him that overcomes will I give to eat of the tree of life, which is in the midst of the paradise of YHWH.

Matt 10:22 And you shall be hated of all **[men]** for my name's sake: but he that endures to the end shall be saved.

1John 3:9 Whosoever is born of YHWH does not commit sin; for his seed remains in him: and he is not allowed to sin, because he is born of YHWH.

Jas 1:12 Blessed **[is]** the man that endures temptation: for when he is tried, he shall receive the crown of life, which the anointed has promised to them that love him.

Rev 14:12 Here is the patience of the saints: here **[are]** they that keep the commandments of YHWH, and the faith of Yahusha.

Rev 22:14 Blessed **[are]** they that do His commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

Rev 22:15 For without **[are]** dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loves and makes a lie.

Ecccl 12:13 Let us hear the conclusion of the whole matter: Fear Elohaym, and keep his commandments: for this **[is]** the whole **[duty]** of man.

Ecccl 12:14 For Elohaym shall bring every work into judgment, with every secret thing, whether **[it be]** good, or whether **[it be]** evil.
