

# Altered Recipes

In this world we have original recipes for baked goods. As these recipes get handed around cooks modify the original recipe to make it their way. They will call it by the same name, and apple pie, vanilla cake, etc. They are all the same thing but only one is the true original.

Christianity has done the same thing with the Word of YHWH. There is ONLY one original and all others are altered recipes.

This study will strive to show some of those alterations.
