

Goodfriday again

I am sending a warning to all those that will go out to participate in the Roman Catholic Goodfriday ritual this coming Friday.

Our Master Yahusha told us he would be in the grave 3 DAYS AND 3 NIGHTS. This was the only sign that was to be given to that adulterous generation. Why were they an adulterous generation because they did not believe him and did not even believe his miracles, they completely rejected him. They rejected the scriptures about him which were the true sign, and so Yahusha said NO SIGN would be given them but the sign of Jonah.

You will find all kinds of men's explanation for this abominable act of Goodfriday, saying a part of a day is a day and all kinds of rubbish. But in the end **IF** Yahusha was not in the grave for 3 days and 3 nights, the Pharisees would have had a hay day with that because that would have been proof his was NOT the Messiah, but that is NOT what happen, when he was brought back to life by YHWH, THE Elohaym and left the tomb, all the Pharisees could do was pay those guarding the tomb to say the disciples stole him from the tomb.

Jonah 1:17 Now YHWH had prepared a great fish to swallow up Jonah. And Jonah was in the belly of the fish **three days and three nights**.

In Hebrew the words three, day, night are all concrete words, they are not abstract words nor are they action words and the Pharisees would have known exactly what Yahusha was saying as he WAS speaking to them in Hebrew. They knew he meant a concrete literal 3 daylight (light) periods and 3 literal nighttime (dark) periods. There was nothing abstract about what he said, he did not means a part of a day or a part of a night. You are deceiving yourself if you say he meant a part of a day and a part of a night.

With a Friday crucifixion you have a sliver of Friday, maybe a ½ hours as they were trying to get him buried before sunset, then you have Sabbath the night and day part, but then you have a problem, because it says “in the end of the Sabbath” they came to the tomb, the Sabbath ended at sunset, so either the Bible lies or he was gone in the end of the Sabbath. You actually miss the 3rd day/night. He was NOT resurrected on Easter morning or even Sunday morning, because while it was yet dark, no sunrise service, he was GONE.

Yahusha died on Wednesday was buried at sunset on Wednesday and was in the grave 3 concrete literal days and 3 concrete literal nights and was resurrected in the end of the Sabbath just at sunset, now I conjecture that he came forth 72 hrs from the time he was placed in the tomb, because to be IN the end of the Sabbath means the Sabbath was still there, the sun was just setting, making Yahusha perfect to HIS word so shall the Son of man be **three days and three nights** in the heart of the earth.

By your observance of the pagan ritual you deny the words of the Master, you bare false witness against him, breaking the 9th commandment. There is no way you can make anything holy just and good out of Goodfriday.

I will not even go into the ABOMINATION of Easter as that is simply what it is an ABOMINATION, the worship of idols, the same as Sunday worship is worship of the sun. It is ALL an abomination to our creator and Elohaym.

You will be held accountable for observing and propagating this abomination.

Matthew 12:38 Then certain of the scribes and of the Pharisees answered, saying, Master, we would see a sign from you.

Matthew 12:39 But he answered and said unto them, An evil and adulterous generation seeks after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas:

Matthew 12:40 For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be **three days and three nights** in the heart of the earth.
